

ASO/CBO Leadership Webinars and Board Leadership Training

HealthHIV announces the topics for this summer's ASO/CBO Leadership Initiative™ Link & Learn webinar series, as well as the upcoming launch of "The 'BLT': Board Leadership Training for ASO/CBOs. The BLT Program is part of **HealthHIV's Three D HIV Prevention Program™**, a technical assistance program for HIV prevention providers. Three D is designed to enhance data collection and analysis, leading to better-informed programmatic decisions and improved delivery of HIV services across the care continuum.

ASO/CBO Leadership Initiative™ Link & Learn

Webinar Series The lunchtime webinar series is designed for ASO/CBO leaders to share management strategies for addressing organizational viability and development. This summer's topics will include:

- Addressing traumatization and burnout within AIDS service organizations
- Leading comprehensive HIV prevention for gay, bisexual, and other MSM of color
- Understanding the impact of the AHCA on ASO/CBOs
- Developing and negotiating cross-disciplinary partnerships to advance HIV prevention and care outcomes
- Sharing data among HIV prevention and care partners to improve client health outcomes Utilizing “smart growth” tools in organizational development
- Implementing programmatic and fiscal risk management assessment for smart organizational growth
- Increasing access to PrEP: Model practices for implementation of PrEP programs

Why is ASO/CBO Board Leadership Training Needed?

In June, HealthHIV will launch “The ‘BLT’: Board Leadership Training for ASO/CBOs” as part of HealthHIV’s ASO/CBO Leadership Training and Certificate Program™, to provide training and resources to ASO/CBO board members. Fundamental shifts continue to transform the public health system, including healthcare reform, redirection of HIV funding, biomedical advances,

and medicalization of HIV services -- all stressing the vital ASO/CBO infrastructure. In order to maintain and enhance the viability of ASO/CBOs to remain relevant in this dynamic environment, it is essential for ASO/CBO board members to engage meaningfully in strategic thinking and organizational sustainability planning.

What is this Program?

A comprehensive and nationally relevant, self-paced, online training curriculum, which:

- Features six adaptable, one-hour courses, formatted to be viewed in 10-15 minute subtopic segments
- Focuses on ASO/CBO Boards of Directors
- Provides tools and templates for ongoing engagement, such as board onboarding checklists, board goals and tracking charts, meeting and retreat agendas, financial profiling worksheets, and sustainability and risk assessment tools
- Offers a Certificate in ASO/CBO Board Leadership upon completion

What are the Program Modules?

The six, self-paced modules are:

1. Nonprofit Board Basics: Roles, Recruitment and Routines
2. Governance and Management: Who Are We and What Are We Accomplishing?
3. Strategic Thinking: Developing Strategies to Ensure Organizational Relevance and Program Sustainability
4. Understanding Finances and Planning for Fiscal Sustainability
5. Community Engagement for Resource Development: Fundraising Best Practices
6. Thriving HIV Non-profits: Identifying and Implementing New Service Delivery Models
