

Recruiting for a Clinical Trial

You're invited to participate in a clinical research study to demonstrate the accuracy of an investigational ChemBio Diagnostic Systems, Inc. combined HIV/Syphilis rapid test.

You may be eligible if:

- You are HIV+, or
- Have never had syphilis, or
- Haven't tested for HIV and Syphilis recently

You will confidentially share details of your personal history, and have blood drawn.

The entire visit should last no more than 45 minutes. You will receive a **\$40.00 gift card** at the end of the completed visit.
