

## Invitation for Mothers Only

Empower others by sharing your knowledge, insights and perspectives on motherhood and being positive to promote social, cultural and political change.

### Who should participate?

African American mothers who had children within the last 10 years while living with HIV positive and want to contribute to advancing health care globally.

### Why does it matter?

If you do not tell your story, who will?

### What do I need to do?

**Anonymously** complete a confidential 30-minute survey. Receive a \$20 Walmart gift card.

### How do I contact someone?
