

# Do you have HIV?

## Do you have a **DETECTABLE** viral load?

**Interested in trying a new regimen  
that includes a weekly injection?**

**Our center is conducting  
a research study for an  
investigational HIV treatment.**

**You may qualify for participation  
if you:**

- **Are 18 or older**
- **Have been diagnosed with HIV**
- **Are taking antiretroviral medication  
for more than 3 months**

**No medical insurance is required.**

**Eligible participants will receive the  
following at no cost:**

- **Study related medical procedures**
- **Laboratory assessments**
- **Investigational medication**

Participants will be compensated for their  
time and study-related expenses.
