## SFGN Covers "Gaymer Nights"

At Latinos Salud, our goal is to create a safe space for everyone.

Surprisingly, even the gamer community has its dark side of homophobia.

That's why we created a safe, alternative event that we call our "Gaymer Nights, at both our Wilton Manors and Kendall locations. You can read more in this week's *South Florida Gay News* coverage [here](#).

## Case Management Now Available in Broward!

# Abriendo puertas

Latinos Salud is now offering Ryan White Part A case management to any eligible **Broward** resident living with HIV.

What is a case manager? Your ally in navigating the system-- *abriendo puertas*--who connects you to free medical and support services.

Come meet our case manager, Vanessa Rodriguez, and our peer education counselor, Alejandro Acosta, here at our Wilton Manors location, Monday through Friday.

Our free programs serve gay Latino men, all guys living with HIV, and anyone who identifies as transgender. And we provide HIV and STD screening to the entire community.

Please consider including Latinos Salud in your will and estate planning.

Thanks again for making a difference!

Sincerely,
