Making high-impact HIV prevention possible!

National Transgender HIV Testing Day –
Enhancing HIV Testing Services for Trans People

National Transgender HIV Testing Day - Enhancing HIV Testing Services for Trans People

[Register](#)

- Wednesday, February 8, 2017
- 2:00pm - 3:00pm Eastern
(1pm Central, 12pm Mountain, 11am Pacific)

This webinar will focus on the National Transgender HIV Testing Day (NTHTD), which is on April 18, 2017. NTHTD is a day to recognize the importance of routine HIV testing, status awareness and continued focus on HIV prevention and treatment efforts among transgender people. This initiative encourages community-based organizations (CBOs), health jurisdictions and HIV prevention programs to respond by hosting local trans HIV testing community events (HIV testing, visibility campaign, community forums) and/or develop trans specific HIV testing.

Presenters:

Jenna Rapues, MPH
Capacity Building Assistance Manager
UCSF Center of Excellence for Transgender Health

Oscar Marquez

CBA Resource Development Manager

Shawn Demmons, MPH
Capacity Building Assistance Specialist
