

Good afternoon all,

Effective May 1, 2016, the Plan of Care Update ("PCU") billing code under Part A/MAI medical case management will be discontinued. All Plan of Care activities will be recorded and billed using the main Plan of Care ("POC") billing code only as of May 1st. Please advise appropriate staff of this change.

If your organization is not funded for medical case management, please disregard this message.

If you have questions, please let me know. Thank you.
