POSITIVE CONNECTIONS HIV+ Support Groups in Miami

9526 NE 2nd Ave, #104, Miami Shores, FL 33138 | Contact Eddie Orozco: 786-873-8576

Mondays – 8:30-10pm

Heterosexual Support Group - This group was created to address the needs and concerns of Heterosexual individuals. Topics include dating, coping with HIV status disclosure, dealing with family & friends, and their support. The issues of dating a person that is not HIV-positive, as well as dating someone that is HIV-positive are frequent topics.

Tuesdays – 8:30-10pm

Gay/Bi Men's Roundtable - This is a very popular group, so make sure to arrive early. Please RSVP as the topics are interesting, group is well-attended, and we have limited seating.

Wednesdays – 8:30-10pm

Spanish-speakers' Support Group - Temas muy interesantes para mantenerte informado, tales como nuevos tratamientos, nutrición, efectos secundarios, y otros más. Todos los Miércoles para la comunidad Hispanoparlante.

1st & 3rd Saturday – 12-2pm

Women's Group - "WOMEN OF POWER" This new group will focus entirely HIV+ women's needs, perspectives and power. Topics include: dating, family and friends support, how to protect yourself while engaging in a sex, female condom, Women's Health, and Women & HIV among others.

2nd & 4th Saturday – 12-2pm

Newly Diagnosed Group - Topics typically discussed are: When to start medical treatment?, Who do I need to disclose my HIV status to?, What does all this mean when I start to date others?, and The stress of coping with being diagnosed HIV positive.

Individual Peer Counseling

Available in English, Portuguese & Spanish via Facebook. Positive Connections goal is to provide educational, emotional, holistic and social support to those infected and affected by chronic illness, with a special emphasis on the HIV/AIDS community.
