Re: Rapid Access Program (Test and Treat)

Beginning **December 23, 2017** and through **January 5, 2018** Borinquen Medical Centers (BMC) will be providing limited HIV-related medical and support services.

Rapid Access (Test and Treat) services will NOT be available during this time.

In an effort to reduce barriers to immediate HIV treatment, BMC would like to inform potential Rapid Access/Test and Treat clients that our friends and partners at **Care Resource** will be open and available for Test and Treat services during this time.
