

The Save the Date below is for the **Unveiling of the 1st Miami-Dade County Condom Wrapper and to highlight the Getting 2 Zero Awareness Week**. The Florida Department of Health in Miami-Dade County, Miami-Dade County's Office of Community Advocacy, and partners, in alignment with the Mayor's "Getting 2 Zero" (G2Z) taskforce recommendations, made a community investment to address the HIV/AIDS epidemic, establishing the inaugural "Getting 2 Zero" Awareness Week (February 12th – 23rd). This campaign is a movement to reduce new HIV infections, increase access to care, reduce stigma, and to promote health equity in our local community.

We invite you to join us for a brief press conference in this monumental event.
