

UNIVERSITY OF MIAMI
MILLER SCHOOL
of MEDICINE

AHF

A high-contrast, close-up photograph of a person's mouth. The person's tongue is extended, and a single blue pill is resting on it. The background is dark, and the lighting highlights the teeth and the texture of the tongue. The overall aesthetic is gritty and focused on the subject of the advertisement.

got PrEP?

Take part in a University of Miami study for men on PrEP.
You will be reimbursed for your time if you're eligible to participate.
