Recovery Skills Group

Whether the goal is to quit using, cut down using or just thinking about it, the group provides a safe environment to share thoughts about drugs, alcohol and recovery. A different topic is discussed every session and a new skill is learned. Come ready to share, learn, and have some fun. A Spanish group is also available, "Juntos Podemos Lograrlo"

Transgender Support Group

The Transgender support group provides an open, supportive and safe space where members can connect, receive support and share information about issues they experience in their day to day living.
