

Dear Prospective Participant

Southwest Miami Senior High School Nurses will be hosting the 13th Annual Health and Wellness Resource Fair for the students and staff on Thursday, March 19, 2020. Event set up will be between 7:30-8:00 AM and the event will be from 8:00AM -12:45PM. We would like to take this opportunity to invite you to participate in this year's Health Resource Day.

Approximately 2,600 students and staff will rotate through the booths to obtain information regarding your agency and receive educational information for healthier lifestyles. Interactive education will be provided in small groups or 1 on 1 session. This is an excellent opportunity to impact the youth and families of our community.

Last year we were fortunate to have over 50 different community agencies participate in this event. This will also allow the opportunity for you to network with other providers. Tables and chairs will be provided. We encourage you to bring table covering representing your agency. Please see the attached RSVP form to identify special requests you may need. Please send the form via email by March 6th.

We would like to thank you in advance for your time and consideration on this matter. We look forward to working with you and your agency. If you have any questions, please feel free to contact us at 305-274-0181 ext. 2228.

Sincerely,
Southwest Senior High School Nurses
