WELLNESS NURSE PRACTITIONER OR PHYSICIAN'S ASSISTANT(S)

Latinos Salud is seeking qualified individuals for one full-time position or up to three part-time contract registered nurses / physician's assistants, who will staff a Wellness Clinic one afternoon / evening weekly in each of our locations. The NP or PA will:

- Provide a basic wellness overview (BP, BMI, consult on smoking cessation, drug / alcohol consumption, and gender transitioning for applicable clients).
- Keeping to the agency's HIV-prevention focus, the primary function will be to screen clients interested in PrEP, and prescribe as appropriate.
- The position requires a bilingual (English-Spanish) candidate, with preference for a gay male nurse or PA, who will reflect the culture of our priority populations, and pass no judgment on those seeking to protect themselves with PrEP.

This is a great opportunity for those who want to work in a community setting. Note candidates **must be bi-lingual** (English / Spanish). **Strong preference for gay / bisexual candidates** who can personally relate to the male population that is the primary focus for this Wellness Center. Latinos Salud is Florida's only gay, minority-based HIV agency. With locations in Broward and Miami-Dade counties, Latinos Salud seeks to reduce the burden of communicable diseases, using a community engagement model.

Compensation will be commensurate with experience and education. If the selected candidate works full-time, Latinos Salud offers generous benefits: health insurance, tuition assistance, a retirement plan, and a generous leave package.

Candidates must provide references, transcripts, and proof of current FL certification. Must have own transportation, and be willing to work a flexible schedule.

Generic cover letters and applications will NOT be reviewed. Please send a resume and cover letter describing your skills and goals **in applying for this specific position at this specific agency with our mission and target population served**, to jobs@latinossalud.org
