“Jessie Trice Community Health System continues with testing for COVID-19”

The **Jessie Trice Community Health System Inc. (JTCHS)** began drive through testing on March 18th and will continue to provide testing for patients that qualify. There is **no** age limit on testing, any qualified patient will be tested. We are offering drive up testing, telehealth sessions, and clinic appointments.

JTCHS is working diligently to ensure the needs of our community are being met. Patients are required to call us at **305-694-6268** prior to coming onsite for testing.

Our onsite Walgreens Pharmacy remains open for services.

Jidlyne Cherelus, APRN and Tomika Smith, RN

The Jessie Trice Community Health System, Inc. is a Florida 501(c)3, not-for-profit, Federally Qualified Health Center, which has been serving Miami-Dade County since 1967. A community mainstay, JTCHS owns and/or operates fifty-five (55) facilities, which includes Comprehensive Primary Care centers, a 40-bed women's substance use residential program, forty (40) school-based locations and one (1) university center. JTCHS's multicultural, multilingual, and multidisciplinary staff serves a diverse population of over 44,000 patients who make more than 160,000 visits annually. WE KNOW how to satisfy our patients and have been doing so for decades.
