* NOTES: Funerals are cheaper on weekdays than on weekends.

If a person has no life insurance or a funeral poses a hardship on the family, cremations are cheaper.

If a person died from a homicide, the family might be eligible for victim compensation. Please speak with the funeral home director/directress for more information. The mortuary will send the information to Tallahassee on behalf of the family. The family can get up to \$5,000.00 towards the funeral cost.

Travis Gibson has a degree in mortuary science and can speak on victim compensation, estate planning, funerals, and cremations & burials.
