Miami-Dade HIV/AIDS Partnership selected to the RWHAP Part A Planning Councils Recruitment and Retention Learning Collaborative

Training to begin in February 2021

The Learning Collaborative (LC) will include a series of structured virtual learning sessions that engage planning council participants in process improvement with their team, other participating PC/PBs, and subject matter experts.

Participating in the LC will support PC/PBs to meet the RWHAP requirement that “not less than 33 percent” of Ryan White HIV/AIDS Program (RWHAP) Part A planning councils shall be individuals who are receiving HIV-related services [under RWHAP Part A], and “reflect the demographics of the population of individuals with HIV/AIDS” in the service area.
