

FSU Scale It Up Florida Study Recruitment

We are inviting Professional Stakeholders (providers, public health officials, and researchers) with experience working with youth living with HIV **to participate in a research study to help youth (15 – 24) living with HIV.**

What is the interview about?

- We would appreciate an opportunity to meet with you to get your thoughts on challenges to keep youth engaged in HIV care and research.
- We are interested in your experience with engaging youth that are sporadic users of care or lost to follow-up in HIV care and research.
- We would like to discuss your perceptions of ethical challenges or barriers that you may have faced when working with youth.

If you agree to be in the study, below are the steps involved:

- 1. Online Study Consent and Scheduling of phone interview:**
 - a. You will be asked to complete an online study consent form, brief demographic survey, and schedule your interview appointment on a day and time that works for you.
- 2. Participate in Individual Phone Interview:**
 - a. A study team member will conduct a phone interview with you that will last approximately 1 hour (Zoom audio option available).
- 2. Receive a \$10 electronic gift card for your time:**
 - a. For taking part in this research study, you will receive a \$10 electronic gift card.

If you are interested in taking part in this study, please go to the link below to complete the study enrollment steps.
