HEADLINES

May 18: HIV Vaccine Awareness Day #HVAD #EndHIVEpidemic

This event is an opportunity to recognize the many volunteers, community members, health professionals, and scientists who are working together to find a safe and effective vaccine to prevent HIV. It

is also a day to educate communities about the importance of HIV vaccine research. [Click here](#) for HVAD social media resources.

May 19: National Asian & Pacific Islander HIV/AIDS Awareness Day #APIMay19 #NAPIHAAD #StopHIVTogether

You can raise awareness of HIV stigma among Asian and Pacific Islander people and provide information on prevention, testing, and treatment using *Let's Stop HIV Together* campaign resources for Asian people and Native Hawaiian and other Pacific Islander people.
