New! April 12: South Florida Link – Place and Purpose: Expanding ViiV Healthcare's Commitment

When it comes to HIV prevention and care, where you live matters. To disrupt HIV disparities, there's a need to commit to the hyper-local voices, networks and efforts that drive change.

New! April 14: PrEP Guideline and Supplement Update Webinar

This program will feature an overview by Dr. Demetre Daskalakis, Division of HIV Prevention Director and Dr. Dawn Smith about the updated pre-exposure prophylaxis (PrEP) guideline and supplement for healthcare providers engaged in HIV-prevention efforts.

April 14: Innovating Southern Jurisdictions Engagement: Using Evidence-Informed Interventions

NASTAD's Health Equity team is pleased to share the Center for Innovation and Engagement (CIE), an online compendium geared towards equipping HIV providers with evidence-informed approaches to better engage and retain people living with HIV in care.

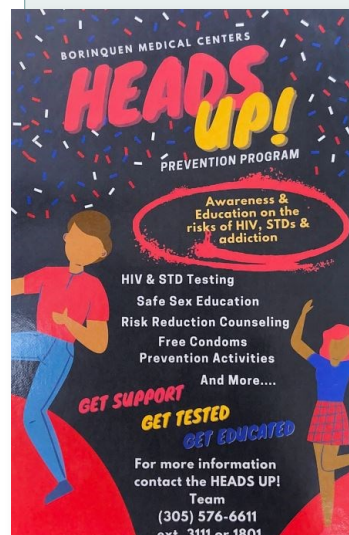

New! April 20: Living Vibrantly
By ACRIA Centers at GMHC – Join us as we discuss and explore LIVING VIBRANTLY as we age.

New! April 20: Make a Difference: How PC/PBs Can Strengthen the HIV System of Care

Please join Planning CHATT on April 20th for an overview of the HIV system of care and how PC/PBs can help strengthen it. PC/PB members function as community planners for the HIV system of care. In order to be effective in this role, members and stakeholders must be able to understand the services and resources available, assess gaps, and identify opportunities for strengthening the local system.

GRANTS & FUNDING

[Click here](#) for details on these and many more grants and funding opportunities!

\$44 Million! HHS Announces Grants to Strengthen Mental Health and Substance Use Services for Populations at Risk for or Living with HIV/AIDS

- ◆ Substance Use Disorder Treatment for Racial Ethnic/ Minority Populations at High Risk for HIV/AIDS
- ◆ Substance Abuse and HIV Prevention Navigator Program for Racial Ethnic Minorities
- ◆ The Minority AIDS Initiative – Service Integration

Minority AIDS Initiative Grant

To increase engagement in care for underrepresented individuals with substance use disorders (SUD) and/or mental disorders (COD) who are at risk for or are living with HIV/AIDS and receive HIV/AIDS services/treatment. Agency: SAMSHA; Due: April 25, 2022.

Positive Action Community Grants (PACG)

Through Positive Action Community Grants (PACG), ViiV Healthcare supports community-led efforts to increase engagement in prevention and care, address stigma, and build trust in HIV care among communities most disproportionately impacted by HIV and AIDS. Priority is given to proposals submitted before July 7th.
