

COMING SOON: NEW GRANT OPPORTUNITY!

ABOUT EPIC

Ribbon created EPIC to increase linkage and retention in HIV primary care and services among Black cisgender women living with HIV. As the Amp Grant Program Lead for the Enhancing Peer Involvement in Care (EPIC), Ribbon provides technical assistance and program support to peer navigation programs that currently offer peer patient navigation services to Black cisgender women living with HIV.

HOW CAN I GET INVOLVED?

If our work aligns with your organizational values, apply!

Applications will be accepted beginning  **July 13th, 2022.**
