Knowledge Check

Importance of Collaboration Across RWHAP Parts

- Representatives of all RWHAP Parts are members of all Part A planning councils/planning bodies (PC/PBs) – locally, the Miami-Dade HIV/AIDS Partnership.
 - All Parts are collaborators in the development of the HRSA/CDC Integrated HIV Prevention and Care Plan.
 - Come to Partnership meetings to meet the RWHAP representatives!
- Coordination across all RWHAP Parts helps people with HIV and service providers make the most of available resources and continue to improve the service system.
