Community Coalition Roundtable Dinner

Monday, September 26 at Borinquen

Please join us for a Roundtable dinner hosted by local service provider, Borinquen Medical Centers, 3601 Federal Highway, Miami 33137. Featuring Special Presentation: Cultural Humility - Session 2. Presentation and dinner generously provided by Gilead.

People with HIV are encouraged to attend. The Partnership and its committees are seeking new members! Join us Monday night and find out how you can make a difference in the lives of people with HIV in Miami-Dade County! [Please RSVP!](#)

Status Neutral HIV Care and Service Delivery Eliminating Stigma and Reducing Health Disparities

CDC.gov Issue Brief

(CDC.gov) A status neutral approach to HIV-related service delivery aims to deliver high-quality, culturally affirming health care and services at every engagement, supporting optimal health for people with and without HIV. [Click here](#) for more.

HRSA's Ryan White HIV/AIDS Program recognizes National HIV/AIDS and Aging Awareness Day.

HRSA Ryan White HIV/AIDS Program (RWHAP) Observes HIV and Aging Awareness Day Sunday, September 18

According to the 2020 RWHAP Annual Client-Level Data Report, 47.9 percent of RWHAP clients are aged 50 and older. Viral suppression rates among clients receiving RWHAP medical care were 92.9 percent for RWHAP clients aged 50 years and older, which is higher than the national RWHAP average of 89.4 percent. The Well Project Survey – Infant Feeding and HIV 2022

From NASTAD-EHE “The Well Project, a non-profit organization, have been working over the past 4 years to advance education, advocacy, research, and policy around breast/chestfeeding and HIV. They just launched an important (and brief) survey to help them better understand current knowledge and attitudes about breast/chestfeeding and HIV.”

Pledge to take the survey!

The U.S. Trans Survey (USTS) is the largest survey of trans people in the United States. The USTS documents the lives and experiences of trans people in the U.S. and U.S. territories.
