

Immediate Job Opening: Associate Director

Behavioral Science Research Corporation (BSR) is actively seeking an energetic, capable Associate Director to assume a major leadership role in our HIV/AIDS service delivery research, Miami-Dade HIV/AIDS Partnership program planning, and Clinical Quality Management (CQM) project design and analysis.

The position is split between (1) working with Ryan White HIV/AIDS Program service providers to improve client experiences and measurable outcomes through quality improvement initiatives and innovations; and (2) working with the Miami-Dade HIV/AIDS Partnership (Partnership) and its committees to strengthen the role of members of the affected community in assessing needs and planning services.

Applicants **MUST HAVE** demonstrated Clinical Quality Improvement (CQI) project design and analysis experience, thorough knowledge of HIV/AIDS service delivery through the Ryan White Program, familiarity with operations of the Partnership or other Ryan White Program planning councils, and facility in community-based research design and execution.

The Associate Director will work directly with the BSR President, interface with the Miami-Dade County Office of Management and Budget-Grants Coordination/Ryan White Program, and coordinate with the BSR team in a fast-paced office setting.

Applicants must be fluent, confident, and articulate in both spoken and written English. Special consideration will be given to applicants with a demonstrated entrepreneurial track record; bilingual reading and writing in Spanish and/or Haitian Creole; and advanced academic degrees. Competency in SQL, Excel, PowerPoint, Provide Enterprise, and Lean Six Sigma are desired. The position is primarily in-office, with limited remote office hours.

BSR offers a full menu of fringe benefits, including health, vision, and dental insurance, flexible PTO and a 401(k) plan. BSR is committed to cultivating and preserving a culture of equal opportunity, inclusion and connectedness. To be considered for the position, please send your resume to Robert Ladner at rladner@behavioralscience.com.
