

**Medical Care Subcommittee
Report to the Care and Treatment Committee
Presented November 3, 2022**

The Medical Care Subcommittee (MCSC):

- Met on September 23 and October 28, 2022.
- Heard updates from the Ryan White Program and the ADAP Program.
- Updating the Primary Medical Care Standards.
- Made some additions and reformatted the Allowable Conditions List.
- Addressed an oral health care issue related to codes but deferred further discussion until the November meeting
- Revised service descriptions for oral health care, AIDS pharmaceutical assistance, and outpatient ambulatory health services to be reviewed in November.
- Revised language in oral health care service standards to be reviewed in November.
- Discussed the impact of a reduced committee size and voted to reorganize the membership composition as shown below. The reorganization removes the nutritionist specialty, but if a consult is needed they will be invited to a meeting. A general seat was kept to accommodate for any additional members in a category.
