

Help find a vaccine for COVID-19!

We're looking for:

- Adults aged 18 and older
- People who are more likely to be exposed to COVID-19, including:
 - People with underlying medical conditions
 - People with greater chances of exposure at their job
 - People who live or work in elder-care facilities
 - People over age 65
 - People who work in jails or prisons
 - People from racial and ethnic groups that have been impacted by the epidemic, such as African Americans, Latinx, and Native Americans

If you decide to join a COVID-19 prevention study, you will be compensated for your time.

You **CANNOT** get infected with SARS-CoV-2 or get COVID-19 illness from the study vaccine.
