

Florida Department of Health in Miami-Dade County

Preventive Services Family Planning,
Prenatal Care and the Emergency
Medicaid for Pregnant Women

The logo for Florida Health is a circular graphic on the left side of the slide. It depicts a sunset over the ocean, with the sun low on the horizon, casting a golden glow across the sky and water. The sky is filled with soft, white and orange clouds. The text 'Florida HEALTH' is overlaid on the bottom half of the circle. 'Florida' is in a white, sans-serif font with a slight drop shadow, and 'HEALTH' is in a larger, bold, white, sans-serif font with a more pronounced drop shadow.
