

Social Media HIV Outreach Specialist

Care 4 U Community Health Center has immediate job openings for a full-time Social Media HIV Outreach Specialist to engage BIPOC men who have sex with men (MSM), and persons of transgender and gender nonconforming experience, for the purpose of connecting them to HIV testing, medical treatment and prevention services.

The Social Media HIV Outreach Specialist will conduct social marketing campaigns that focus on improving knowledge about how to reduce risky behaviors, increasing use of condoms and other mechanisms to prevent HIV, and encourage and provide information on accessing HIV testing and PrEP. This position will create and monitor social media accounts to reach the target population, make daily posts to promote HIV care and prevention service and reply to comments and questions made to post or private messages.,

The ideal candidate will be outgoing, compassionate and enjoy social media. Must be comfortable working with diverse populations and conducting social media outreach and HIV testing in sexually charged environments. Must have a high school diploma and a valid drivers license. Bilingual (English/Spanish or English/Creole) preferred. HIV 501 certification from the Florida Department of Health is required within 6 month of the date of hire.

In addition to \$20-\$25 per hour, Care 4 U offers health, dental & life insurance, 401K with employer match, paid time off and holidays, and an employee discount program.
