**Motion to accept the minutes of October 20, 2022, as presented.**

**Moved: Roberto Tazoe**

**Second: Stephen Herz**

**Motion: Passed**

## **VII. Reports**

- **Housing Opportunities for Persons With AIDS (HOPWA) Program Updates**

*Roberto Tazoe*

Roberto Tazoe reviewed excerpts from the Consolidated Annual Performance and Evaluation Report (CAPER) Measuring Performance Outcomes HOPWA Report. Last fiscal year, the HOPWA program spent over \$10 million dollars and served 912 households:

- 820 Tenant Based Rental Assistance (TBRA);
- 28 Project-based; and
- 64 Short Term Rental, Mortgage, and Utility (STRMU).

There was a \$2 million balance which will be applied to the \$14 million dollars received for the upcoming program year.

Currently, there are 726 TBRA households. The HOPWA Long-Term Rental Assistance (LTRA) waitlist is on number 130. Clients are being called off the waitlist at a cautious pace to ensure funding keeps pace with attrition.

The City of Miami Commission approved the continuity of the HOPWA programs currently in place (TBRA, STRMU, and Project Based). The STRMU provider is Care Resource. There are three project-based programs: two of the programs work through the Homeless Trust referral program, Harden Village and Little River Bend; and the third project, New Life Apartments, has an open application period when there are vacancies, but clients must have income to qualify.

There was a question of whether there was an issue with housing availability. Last year it was more difficult to place clients, but this year it is slightly better with the revised Fair Market Rates (FMR). Most housing specialists work with current landlords. It is slightly more problematic to place clients who are new to the program since it is harder to find rental units that meet all the criteria for the program.

- **Membership Vacancies and Changes**

*Marlen Meizoso*

Mrs. Meizoso referenced the membership vacancy report (copy on file). She indicated she tried to reach out to Mr. Rodriguez to see if he wanted to remain a member but had not received a reply. A member indicated Mr. Rodriguez is no longer in the area. Staff requested that if anyone knows of any interested parties who wish to join, please have them contact staff, attend a training, or come to a meeting.

Two applications were received for membership to the committee, Lileaus Hill and Polini Sanon. Ms. Hill, who works at the PET Center, introduced herself and stated her interest. Mr. Sanon, who works at the Center of Information & Orientation, introduced himself and stated his interest. The Committee voted on their membership.

**Motion to accept Lileaus Hill and Polini Sanon as members of the Housing Committee.**

**Moved: Stephen Herz**

**Second: Carlos Laso**

**Motion: Passed**

## VIII. Standing Business

- **2023 Elections**

*All*

Mrs. Meizoso indicated that a memo listing eligible candidates was distributed. Ms. Burks indicated she would like to remain Vice Chair and Stephen Herz indicated he would volunteer to be Chair. The Committee made a motion on the candidates.

**Motion to accept Stephen Herz as Chair and Laurie Ann Burks as Vice Chair of the Housing Committee.**

**Moved: Carlos Laso**

**Seconded: Roberto Tazoe**

**Motion: Passed**

## IX. New Business

- **Stakeholder Invitation Development**

*All*

Mrs. Meizoso indicated that last year the committee expressed interest in engaging stakeholders, so she created a worksheet to develop points for an invitation. The Committee went through each of the questions.

- *Why does the committee want stakeholder participation?*

- More people should be at the table since the HOPWA program is not the only program that provides housing services, although it does service HIV positive clients specifically.

- *What will the stakeholders get out of it?*

- Stakeholders can gain knowledge about what services are offered locally in their service areas and share information on resources.

- *Who should be invited?*

- Municipalities with Housing Authorities: City of Miami Beach, City of Miami, Miami-Dade County, and City of Hialeah. The City of Homestead should also be invited. Staff will look at what additional municipalities offer housings services.

- *When does the Committee want the meeting to take place?*

- The Committee is still working on details on who to invite and since the holidays season is coming up soon, the meeting should likely be held at the start of next year, either January or February.

- *Where does the Committee want the meeting to take place?*

- Depending on how many people will be invited either the Miami-Dade County Main Library auditorium or possibly a Ryan White subrecipient with sufficient meeting space.

- **HIV/AIDS Housing Survey**

*All*

Alecia Apfel reviewed the draft HIV/AIDS Housing Survey and distribution plan with the Committee.

Regarding the distribution plan:

- Transportation sites are the same as Medical Case Management sites.
- Food Bank only has one site.
- ADAP clients can still be picked up at the ADAP pharmacy, but they also can pick up at local pharmacies in the community.
- Focus on electronic copies of the survey with a link and QR code.
- The survey will be posted on the Partnership website and email blasted.
- A request will be made that Ryan White subrecipients post the link and/or QR code on their websites.

The Survey was reviewed, and the following comments were made:

- Keep the survey short;
- Beta test the survey to ensure a seamless experience for clients;
- Delete questions #3 on diagnosis since this not necessary;
- Move question #7 under #5 so gender/sexual orientation questions are grouped together;
- Moved question #9 to the top of next page because will likely be missed in current location;
- Delete question #10b on current zip code;
- Delete question #15 on city of preference; and
- Delete question #20c on zip code and homelessness.

Ideally the survey will be launched in August 2023, after programming the document into Survey Monkey and translating the survey into Spanish and Haitian Creole. There will be a six-week window for the survey to be completed and two weeks to compile results. If the survey target of 200 to 250 responses is not being met, a reminder will need to be sent or the distribution methodology may need to be reexamined.

## **X. Announcements and Open Discussion**

The Committee responded to the following questions on generating points for the invitation to engagement of stakeholders. Replies are below:

**1. Why** does the committee want stakeholder participation?

More people should be at the table since the HOPWA program is not the only program that provides housing services, although it does service HIV positive clients specifically. Additional partners should be involved since the entire County should be represented.

**2. What** will the stakeholders get out of it?

Stakeholders can gain knowledge about what services are offered locally in their service areas and share information to maximize resources.

**3. Who** should be invited?

Municipalities with Housing Authorities: City of Miami Beach, City of Miami, Miami-Dade County, and City of Hialeah. The City of Homestead should be invited also.

**4. When** does the Committee want the meeting to take place?

Post holidays either January or February to secure commitments of attendees.

**5. Where** does the Committee want the meeting to take place?

Depending on size either the Miami-Dade County Main Library auditorium or a request can be made to a Ryan White subrecipient with a large space.
