# Meeting Housekeeping Medical Care Subcommittee

Updated May 31, 2024  
*Behavioral Science Research*

# Disclaimer & Code of Conduct

---

- ❑ Audio of this meeting is being recorded and will become part of the public record.
- ❑ Members serve the interest of the Miami-Dade HIV/AIDS community as a whole.
- ❑ Members do not serve private or personal interests, and shall endeavor to treat all persons, issues and business in a fair and equitable manner.
- ❑ Members shall refrain from side-bar conversations in accordance with Florida Government in the Sunshine laws.

# General Housekeeping

---

- ❑ You must sign in to be counted as present.
- ❑ Place cell phones on mute or vibrate - *If you must take a call, please excuse yourself from the meeting.*
- ❑ Eligible committee members should see staff for a voucher at the end of the meeting.

# Language Matters!

---

In today's world, there are many words that can be stigmatizing. Here are a few suggestions for better communication.

Remember **People First** Language . . .

*People* with HIV, *People* with substance use disorders, *People* who are homeless, etc.

Please don't say **RISKS** . . . Instead, say **REASONS**.

Please don't say, **INFECTED with HIV** . . . Instead, say **ACQUIRED HIV, DIAGNOSED with HIV, or CONTRACTED HIV**.

Please **do not** use these terms . . .

**Dirty . . . Clean . . . Full-blown AIDS . . . Victim . . .**

# Meeting Participation

---

**Everyone has a role to play!**

- ❑ All attendees may address the board as time allows and at the discretion of the Chair.
- ❑ Please *share your expertise* on the current Agenda topics and motions. Remember to . . .
  - Raise your hand to be recognized by the Chair or added to the queue during discussions.
  - Avoid repeating points previously addressed.

# Meeting Terminology

Meetings can be fast-paced and confusing!

- ❑ Terms and acronyms you might hear at today's meeting are on the back of your Agenda.
- ❑ Please raise your hand at any time if you need more information!

## Meeting Guide

Meetings can be fast-paced and confusing!  
These terms and acronyms can help you follow along.

Please raise your hand at any time if you need more information!

**Medical Care Subcommittee Meeting  
Behavioral Science Research  
2121 Ponce de Leon Blvd., Ste. 240  
Coral Gables, FL 33134**

**June 28, 2024 Minutes**

#	Members	Present	Absent	Guests
1	Baez, Ivet	X		Ana M. Nieto
2	Dougherty, James	X		Sanique Olkuch
3	Friedman, Lawrence		X	Carla Valle-Schwenk
4	Goubeaux, Robert		X	
5	Miller, Juliet	X		
6	Romero, Javier		X	
7	Serrano-Irizarry, Yendi	X		
8	Ysea, Cristhian A.	X		<b>Staff</b>
<b>Quorum: 4</b>				Marlen Meizoso

All documents referenced in these minutes were accessible to both members and the general public prior to (and during) the meeting, at <https://aidsnet.org/the-partnership#mcsc1>.

**I. Call to Order**

*James Dougherty*

James Dougherty, Subcommittee Chair, called the meeting to order at 9:36 a.m. He introduced himself, provided an overview of the work for today's meeting, and welcomed everyone.

**II. Introductions**

*All*

Mr. Dougherty requested members, guests, and staff to introduce themselves.

**III. Meeting Housekeeping**

*James Dougherty*

Mr. Dougherty reviewed the meeting housekeeping presentation indicating people first language, meeting protocols, and the location of Subcommittee items online

**IV. Floor Open to the Public**

*Cristhian Ysea*

Cristhian Ysea, Vice Chair, read the following:

*"Pursuant to Florida Sunshine Law, I want to provide the public with a reasonable opportunity to be heard on any item on our agenda today. If there is anyone who wishes to be heard, I invite you to speak now. Each person will be given three minutes to speak. Please begin by stating your name and address for the record before you talk about your concerns. BSR has a dedicated phone line and email for statements to be read into the record. No statements were received."*

There were no comments, so the floor was closed.

**V. Review/Approve Agenda**

*All*

The Subcommittee reviewed the agenda and adopted it as presented.

**Motion to accept the agenda as presented.**

**Moved: Cristhian Ysea**

**Seconded: Ivet Baez**

**Motion: Passed**

**VI. Review/Approve Minutes of February 23, 2024**

*All*

Members reviewed the minutes of February 23, 2024. On page 2, “2024” should be “2023”. The Subcommittee made a motion to approve the minutes with the correction.

**Motion to accept the minutes of February 23, 2024, with the correction.**

**Moved: Juliet Miller**

**Seconded: Yendi Serrano-Irizarry**

**Motion: Passed**

**VII. Reports**

▪ **Ryan White Program**

*Carla Valle-Schwenk*

Carla Valle-Schwenk reviewed the final FY 23 Ryan White Program expenditures. There were 9,060 unduplicated clients. Carryover of unspent money was requested, and the request has been forwarded to HRSA. FY 24 expenditures and clients as of June 11, 2024, were reviewed. For FY 24 the program has \$24.8 million dollars in Part A funds, and \$2.6 million dollars in MAI funds. As of April, there were 6,561 clients being served. Clients whose Federal Poverty Level (FPL) is above 250% who need to access Food Bank are being assisted with gift certificates by Part B.

▪ **AIDS Drug Assistance Program (ADAP)**

*Marlen Meizoso for Dr. Javier Romero*

Mrs. Meizoso reviewed the March 2024, ADAP report which presented final figures on enrollments, expenditures, prescriptions, premium payments, and program updates. There was a question on low Cabenuva usage, and a request for the most up to date pharmacies in the Magellan network which will be forwarded to Dr. Romero.

▪ **Vacancy Report**

*Marlen Meizoso*

Ms. Meizoso referenced the membership vacancy report indicating several vacancies on the Subcommittee and on the Partnership. The Subcommittee has five vacancies for members with lived experience and three seats for medical professionals. Sonya Wright is an applicant for the mental health seat, was not able to attend today’s meeting due to a schedule conflict. She is a mental health counselor at the University of Miami, and also works with the AIDS Education and Training Centers. Some members were familiar with Ms. Wright and suggested voting on her application.

**Motion to recommend Sonya Wright as a member of the Medical Care Subcommittee.**

**Moved: Juliet Miller**

**Seconded: Yendi Serrano-Irizarry**

**Motion: Passed**

If anyone knows of any additional individuals interested in membership, they may contact staff, invite them to attend a meeting, or invite them to attend any Partnership training.

Six applications for the Partnership have been forwarded to the Mayor's office for approval.

### **VIII. Standing Business**

There was no standing business.

### **IX. New Business**

#### **▪ Ophthalmology and Medical Conditions List**

*All*

The Subcommittee reviewed the current Medical Conditions list. There have been issues with some of the language used in the blue box and under the ophthalmology section and whether this is related to screenings or treatment. Staff shared several articles on recommendations for ophthalmological screenings. The Subcommittee recommended:

- Bolding statement "This is not exhaustive list..." in blue box.
- Deleting "and" before ophthalmic screening and adding "etc." in blue box.
- Changing "access" to "receive" and add "treatment" after optometry.
- Rewording statement under bullets as follows: "Referrals to an optometrist or ophthalmologist for treatment must indicate a condition related to complications of HIV exacerbated by HIV, comorbidities related to HIV, or complications of HIV treatment. Referrals for treatment must be generated by an ophthalmological specialist. Any one of these conditions listed below would apply as examples."

The revised language will be brought back to the Subcommittee to ensure clarity and for final approval.

Staff suggested possibly creating a flow chart for screening and treatment and bringing it to the next meeting.

#### **▪ Joint HRSA-CDC Letter on Congenital Syphilis**

*All*

The Subcommittee reviewed the joint HRSA-CDC Letter on Congenital Syphilis. Sexually transmitted disease screenings are already part of the Minimum Primary Care Standards. A link to the letter will be added under the notations section under the STI item.

#### **▪ Review of Calendar of Activities**

*All*

The Subcommittee reviewed the updated calendar of activities. In the month of August, the Ryan White Conference will be taking place and will conflict with the Subcommittee's meeting. Staff asked if the Subcommittee wanted to move up the review of the service descriptions and in what order they wanted to address them. The Subcommittee decided to start with AIDS Pharmaceuticals Assistance, then Mental Health Services, then Substance Abuse Treatment (residential and outpatient), and finally Outpatient Ambulatory Health Services.

As part of the annual Partnership staff support budget process recently approved each committee and subcommittee is being polled in the months of June and July for any requests for support for special projects

above and beyond the annual activities supported by the existing staff support budget. These requests will then be prioritized and forwarded to the Executive Committee for review and possible inclusion in the Partnership's budget/scope. Legislative requirements include comprehensive planning, priority setting and resource allocation, assessing efficiency of administrative mechanism, and needs assessment. The Subcommittee was polled and indicated they would like the reports (Ryan White summary, ADAP, Vacancy, and Motions reports) included in the packet; back-to-back copies are fine). The Subcommittee asked if there were any special focus groups that could be done on HIV and aging. Focus groups help engage individuals with HIV and introduce them to planning. Staff will tally the items and bring them back for final input at the next meeting.

**X. Announcements and Open Discussion**

*All*

Mrs. Meizoso announced the next Get on Board training is scheduled for July 10, 2024, and will focus on the language of the Partnership.

No open discussion items were shared.

**XI. Next Meeting**

*Cristhian Ysea*

The next Subcommittee meeting is scheduled for Friday, July 26, 2024, at 9:30 a.m. at BSR. Members were encouraged to RSVP for the meeting to ensure quorum.

**XII. Adjournment**

*James Dougherty*

Mr. Dougherty thanked everyone for participating in today's meeting and requested a motion to adjourn.

**Motion to adjourn.**

**Moved: Cristhian Ysea**

**Seconded: Juliet Miller**

**Motion: Passed**

The meeting adjourned at 10:45 a.m.

# MIAMI-DADE HIV/AIDS PARTNERSHIP

Medical Care Subcommittee  
Friday, July 26, 2024  
9:30 a.m. – 11:30 a.m.  
Behavioral Science Research  
2121 Ponce de Leon Blvd., Ste. 240  
Miami, FL 33134

## Membership Report

July 8, 2024

### The Miami-Dade HIV/AIDS Partnership

*The official Ryan White Program Planning Council in Miami-Dade County and the Advisory Board for HIV/AIDS to the Miami-Dade County Mayor and Board of County Commissioners.*

### Opportunities for Ryan White Program Clients

**9** seats are available to Ryan White Program Clients who are not affiliated or employed by a Ryan White Program Part A funded service provider.

3 applicants pending appointment

1 applicant pending final paperwork

### Opportunities for General Membership

**11** seats are open to people with HIV, service providers, and community stakeholders who have reputations of integrity and community service, and possess the relevant knowledge, skills and expertise in these membership categories:

Local Health Department Representative (applicant pending approval)

Prevention Provider Representative (applicant pending approval)

Other Federal HIV Program Grantee (Part F) (term ends June 30, 2024)

Housing, Homeless or Social Service Provider (term ends June 30, 2024)

Representative with HIV and Hepatitis B or C

Other Federal HIV Program Grantee Representative (SAMHSA)

Substance Abuse Provider Representative

Mental Health Provider Agency Representative

Hospital or Healthcare Planning Representative

Federally Recognized Indian Tribe Representative

Miami-Dade County Public Schools Representative

### Are you a Member?

***Thank you for your service to people with HIV!***

Be sure to bring a Ryan White client to your next meeting!

### Do You Qualify for Membership?

*If you answer "Yes" to these questions, you could qualify for membership!*

Are you a resident of Miami-Dade County?

Are you a registered voter in Miami-Dade County?

*Note: Some seats for people with HIV are exempt from this requirement.*

Can you volunteer three to five hours per month for Partnership activities?

# Committees

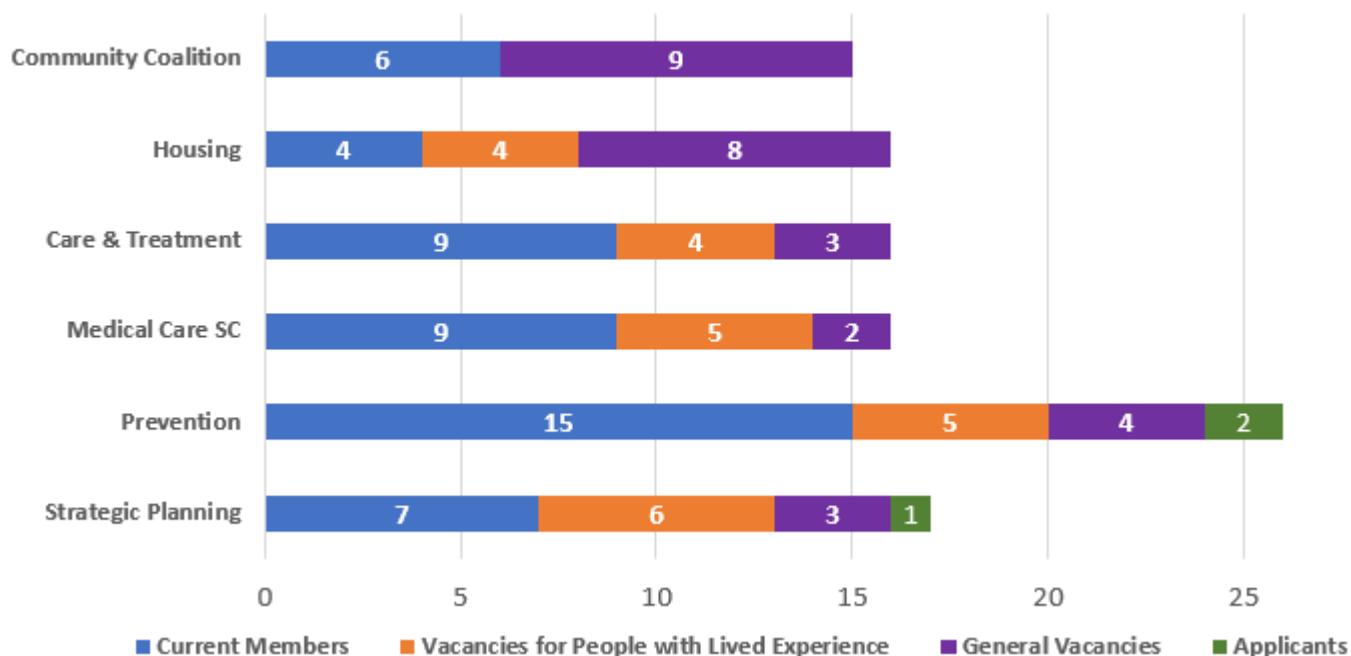

Work with a dedicated team of volunteers on these and more Partnership activities to better serve people with HIV in Miami-Dade County!

*People with HIV are encouraged to join!*

- ⌘ Allocate more than \$27 million in Ryan White Program funds with the **Care and Treatment Committee**
- ⌘ Develop an Annual Report on the State of HIV and the Ryan White Program in Miami-Dade County with the **Strategic Planning Committee**
- ⌘ Recruit and train new Partnership members with the **Community Coalition**
- ⌘ Work with the City of Miami Housing Opportunities for Persons with AIDS Program to address housing challenges for people with HIV/AIDS with the **Housing Committee**
- ⌘ Oversee updates and changes to medical treatment guidelines for the Ryan White Part/MAI Program with the **Medical Care Subcommittee**
- ⌘ Set priorities for Ryan White Program HIV health and support services in Miami-Dade County with the **Care and Treatment Committee**
- ⌘ Share a meal and testimonials at Roundtables with the **Community Coalition**
- ⌘ Develop and monitor the official HIV Prevention and Care Integrated Plan with the **Strategic Planning Committee & Prevention Committee**
- ⌘ Develop your leadership skills and be a committee leader with the **Executive Committee**
- ⌘ Oversee updates and changes to the Ryan White Prescription Drug Formulary with the **Medical Care Subcommittee**
- ⌘ Develop and monitor local Ending the HIV Epidemic activities with the Florida Department of Health in Miami-Dade County with the **Prevention Committee & Strategic Planning Committee**
- ⌘ Be in the know about the latest HIV activities of the Prevention Mobilization Workgroups with the **Prevention Committee**

**MIAMI-DADE COUNTY RYAN WHITE PROGRAM  
ALLOWABLE MEDICAL CONDITIONS LIST**

*These conditions are related to or exacerbated by HIV, comorbidities related to HIV, or complications of HIV treatment.*

*Conditions listed may be accessible under multiple specialties though not specifically referenced.*

*This list is intended to address the federal Health Resources and Services Administration's requirement that services provided through outpatient medical care be related to an individual's HIV status. **This list is not exhaustive and is a sample guideline created to assist medical providers with specialty care referrals and to emphasize the importance of documenting the link between an individual's HIV status and the specialty care service to which a client is referred.***

*Routine medical diagnostic testing (e.g., Pap smear, mammogram, bone density test, colonoscopy, colorectal cancer screening, ~~and~~ ophthalmologic screening, etc.) is allowable as long as such testing follows established medical guidelines, such as U.S. Public Health Service (PHS), American Medical Association, Health Resources and Services Administration (HRSA), or other local guidelines, as a standard of care. Please see the most current, local Ryan White Program Service Delivery Manual for more information.*

**When provided in an outpatient setting, labs, diagnostics, and treatments related to HIV, as indicated above, including complications of HIV treatment related to the following conditions may be covered:**

---

**BONE AND JOINT DISEASES (E.G., ORTHOPEDICS/RHEUMATOLOGY):**

osteoarthritis

**BONE AND JOINT DISEASES (E.G., ORTHOPEDICS/RHEUMATOLOGY) and  
CHIROPRACTIC/PHYSICAL MEDICINE:**

avascular necrosis of hip, knee, etc. (Stage 1 or 2 only for CHIROPRACTIC/PHYSICAL MEDICINE)

fibromyalgia

myopathy/myalgia, HIV-related (chronic for CHIROPRACTIC/PHYSICAL MEDICINE)

osteopenia/osteoporosis

rheumatic diseases

---

**CARDIOLOGY:**

atherosclerosis

coronary artery disease

heart disease

hyperlipidemia

peripheral artery disease

phlebitis

---

**CHIROPRACTIC/PHYSICAL MEDICINE:**

HIV-related chronic arthralgia

peripheral neuropathy

*IMPORTANT NOTE: According to CDC, chronic pain is defined as pain having duration of at least three months. Chronic pain is considered a co-morbidity of HIV. This may also contribute to the depression with pain comorbidity complex (DPC). Treatment of acute pain is not covered.*

**MIAMI-DADE COUNTY RYAN WHITE PROGRAM  
ALLOWABLE MEDICAL CONDITIONS LIST**

---

**COLORECTAL:**

abnormal anal Pap smears  
fistulas  
hernias

**COLORECTAL and ONCOLOGY:**

anal cancers

---

**DENTAL (ORAL HEALTH CARE):**

giant aphthous ulcers

**DENTAL (ORAL HEALTH CARE); and EAR, NOSE and THROAT (ENT)/OTOLARYNGOLGY:**

human papillomavirus associated oral lesions

**DENTAL (ORAL HEALTH CARE); EAR, NOSE and THROAT (ENT)/OTOLARYNGOLGY; and ONCOLOGY:**

dental cancers  
oral cancers

---

**DERMATOLOGY:**

dermatitis  
eczema/seborrheic dermatitis  
eosinophilic folliculitis  
impetigo  
Methicillin-resistant Staphylococcus aureus (MRSA)  
molluscum contagiosum  
photodermatitis  
pruritus (as a symptom of undiagnosed xerosis, psoriasis, scabies, lymphoma, etc.)  
psoriasis  
skin conditions and symptoms, including skin appendages and oral mucosa  
warts

**DERMATOLOGY and GENITOURINARY (GU)/ GYNECOLOGY (GYN)/OBSTETRICS (OB):**

tinea infections

**DERMATOLOGY and INFECTIOUS DISEASES:**

herpes simplex virus

**DERMATOLOGY and ONCOLOGY:**

Kaposi's sarcoma  
skin cancers (squamous cell carcinoma, etc.)

**DERMATOLOGY and PODIATRY:**

onychomycosis

---

**MIAMI-DADE COUNTY RYAN WHITE PROGRAM  
ALLOWABLE MEDICAL CONDITIONS LIST**

**EAR, NOSE AND THROAT (ENT)/OTOLARYNGOLOGY:**

chronic sinusitis  
oral human papillomavirus

---

**ENDOCRINOLOGY:**

diabetes  
hormone replacement therapy (for individuals of trans experience)  
hypogonadism

---

**GASTROINTESTINAL:**

colitis (syphilitic colitis--very rare)  
diarrhea  
esophageal candidiasis  
nausea/vomiting

---

**GENITOURINARY (GU)/ GYNECOLOGY (GYN)/OBSTETRICS (OB):**

abnormal Pap smear  
cervical human papillomavirus  
erectile dysfunction\*  
hematuria (related to neoplasms)  
pregnancy  
scrotal candidiasis  
vaginitis

**GENITOURINARY (GU)/ GYNECOLOGY (GYN)/OBSTETRICS (OB) and ONCOLOGY:**

gynecological cancers  
prostate cancer

*\*IMPORTANT NOTE: the local Ryan White Part A/MAI Program will only pay for evaluation and diagnostics of erectile dysfunction; but the treatment of erectile dysfunction is not covered by the local Ryan White Part A/MAI Program.*

---

**HEMATOLOGY:**

anemia  
neutropenia  
thrombocytopenia

**HEMATOLOGY and ONCOLOGY:**

polycythemia vera

---

**INFECTIOUS DISEASE:**

histoplasmosis  
leishmaniasis  
non-tuberculous mycobacterial infections  
syphilis  
varicella zoster infections  
viral hepatitis (hepatitis B and C)

---

**MIAMI-DADE COUNTY RYAN WHITE PROGRAM  
ALLOWABLE MEDICAL CONDITIONS LIST**

**INFECTIOUS DISEASE and DERMATOLOGY:**

Mpox

**INFECTIOUS DISEASE and OPHTHAMOLOGY:**

toxoplasmosis

**INFECTIOUS DISEASE and PULMONOLOGY:**

tuberculosis

---

**MENTAL HEALTH SERVICES and PSYCHIATRY:**

mental health disorder caused or exacerbated by HIV diagnosis or HIV treatment

mental health disorder/condition that significantly hinders a client's HIV treatment adherence

*IMPORTANT NOTES*

*Under Mental Health Services, a mental health professional (PhD, EdD, PsyD, MA, MS, MSW, or M. Ed) will assess, diagnose, and treat mental illness under the mental health service category.*

*Under Psychiatry, a Psychiatrist will assess, diagnose, and treat mental illness in an outpatient/ambulatory health care setting.*

---

**NEPHROLOGY:**

human immunodeficiency virus-associated nephropathy

renal failure (may be related to coronary artery disease induced by HIV or diabetes mellitus induced by HIV, etc.)

---

**NEUROLOGY:**

delirium

HIV-associated neurocognitive disorder (HAND) <sup>1,2</sup>

HIV- related encephalopathy

neuropathy

neurosyphilis

---

---

**NUTRITION:**

lipodystrophy

wasting

weight gain

weight loss

**MIAMI-DADE COUNTY RYAN WHITE PROGRAM  
ALLOWABLE MEDICAL CONDITIONS LIST**

**ONCOLOGY:**

Cancers may include but not limited to: breast, eye (e.g., squamous cell carcinoma of the eye, etc.), lymphoma, polycythemia vera, prostate

*IMPORTANT NOTE: the local Ryan White Part A/MAI Program is restricted to evaluation, diagnostics, and treatment in an outpatient setting.*

---

**OPHTHALMOLOGY/OPTOMETRY:**

Clients must also meet at least one of these criteria to ~~access~~ receive ophthalmology/optometry treatment services:

- Client has a low CD4 count (at or less than 200 cells/mm<sup>3</sup>) *currently*
- Client has a comorbidity (e.g., diabetes, hypertension, STI, etc.)
- Client has a prior diagnosis of cytomegalovirus retinitis (CMV)
- Client has Immune Reconstitution Syndrome

Referrals to an optometrist or ophthalmologist for treatment must indicate a condition ~~attempting to rule out related to~~ complications of HIV, ~~These conditions are related to or~~ exacerbated by HIV, comorbidities related to HIV, or complications of HIV treatment. Referrals for treatment must be generated by an ophthalmological specialist. Any one of these conditions listed below would apply as examples.

**Manifestations due to opportunistic infections:**

- acute retinal necrosis
- bacterial retinitis
- candida endophthalmitis
- cryptococcus chorioretinitis
- cytomegalovirus retinitis
- pneumocystis choroiditis

**Visual disturbances to rule out complication of HIV due to:**

- cataracts
- dry eyes (sicca)
- glaucoma
- intra-retinal hemorrhages
- reactive arthritis
- trichomegaly or eyelash hypertrichosis (exaggerated growth of the eye lashes found in the later stages of the disease)
- uveitis

**History of STI and complications of STI:**

- herpes simplex virus
- herpes zoster-varicella visual changes
- syphilis

*IMPORTANT NOTE: the local Ryan White Part A/MAI Program will only pay for evaluation, diagnostics and treatment for HIV-related eye problems/complications such as the examples listed above and will not pay for the filling of prescriptions for corrective lenses (e.g., [glasses or contact lenses for] astigmatism, myopia, hyperopia, [or presbyopia]).*

*[bracketed phrasing above was added by Miami-Dade County Ryan White Program Recipient for clarity.]*

**MIAMI-DADE COUNTY RYAN WHITE PROGRAM  
ALLOWABLE MEDICAL CONDITIONS LIST**

---

**PODIATRY:**

diabetic foot care  
foot and ankle pain\*  
plantar fasciitis related to lipoatrophy and other known associated causes

*\*IMPORTANT NOTE: the local Ryan White Part A/MAI Program will only pay for evaluation, diagnosis, and treatment of foot and ankle pain for HIV related conditions or co-morbidities. Conditions such as hammer toes, bunions, and heel spurs may be covered if related to neuropathies. Sprains or fractures are not covered unless a direct connection to neuropathies is present.*

---

**PULMONARY:**

mycobacterium  
pneumocystis pneumonia  
recurrent pneumonia

---

**MIAMI-DADE COUNTY RYAN WHITE PROGRAM  
ALLOWABLE MEDICAL CONDITIONS LIST**

**AIDS PHARMACEUTICAL ASSISTANCE  
(LOCAL PHARMACEUTICAL ASSISTANCE PROGRAM – LPAP)**

*(Year 34 Service Priority: #8 for Part A)*

- A. AIDS Pharmaceutical Assistance (Local Pharmaceutical Assistance Program – LPAP)** is a core medical service. The purpose of the LPAP component (i.e., prescription drug services) of the AIDS Pharmaceutical Assistance service category, in accordance with federal Ryan White Program guidelines, is “to provide therapeutics to treat HIV/AIDS or to prevent the serious deterioration of health arising from HIV/AIDS in eligible individuals, including measures for the prevention and treatment of opportunistic infections.” LPAPs must be compliant with the Ryan White HIV/AIDS Program’s requirement of payer of last resort.

This service includes the provision of medications and related supplies prescribed or ordered by a licensed medical provider (MD, DO, APRN, PAs) to prolong life, improve health, or prevent deterioration of health for people with HIV who are ineligible for Medicaid, Medicare Part D, ADAP, or other public sector funding, or have private insurance with limited or no prescription drug coverage. Supplies are limited to consumable medical supplies necessary for the administration of prescribed medications.

**IMPORTANT NOTES: Services are restricted to outpatient services only. Inpatient, emergency room, and urgent care center prescription drug services are not covered. Vaccines provided during a medical office visit are no longer found in the local Ryan White Part A Program Prescription Drug Formulary but may be available under Outpatient/Ambulatory Health Services. Prescription drug copayment assistance is not provided for clients with prescription drug discount cards. LPAP services may not be provided on an emergency basis (defined as a single occurrence of short duration). See the General Revenue Short-term Medication Assistance protocol in Section XII of this FY 2024 Ryan White Program Service Delivery Manual for information on how to access to medications on a short-term, emergency basis.**

- 1. Medications Provided:** This service pays for injectable and non-injectable prescription drugs, pediatric formulations, appetite stimulants, and/or related consumable medical supplies for the administration of medications. Medications are provided in accordance with the most recent release of the local Ryan White Part A Program Prescription Drug Formulary, with the Ryan White Part A/MAI Program as the payer of last resort. The local Ryan White Part A Program Prescription Drug Formulary is subject to change due to guidance from HRSA, the federal granting agency, and/or the Miami-Dade HIV/AIDS Partnership’s Medical Care Subcommittee.

## **2. Client Education and Adherence:**

- Providers are expected to educate clients on the importance of adhering to their medication regimen with the objectives of reducing the risk of developing and spreading a resistant virus, and to ensure a healthy life for the client.
- Providers are expected to offer basic education to clients on various treatment options, including information about state-of-the-art combination drug therapies.
- Clients must be encouraged to take medications as prescribed, as well as to follow the recommendations made by Licensed Medical Providers, Nutritionists, and Pharmacists regarding medication management.

## **3. Coordination of Care:**

- Providers must maintain appropriate contact with other caregivers (i.e., the client's Medical Case Manager, Licensed Medical Provider, Nutritionist, Counselor, etc.) and with the client in order to monitor that the client adheres to their medication regimen; and ensures that the client receives coordinated, interdisciplinary support for adherence, and assistance in overcoming barriers to meeting treatment objectives.
- Providers will be expected to immediately inform Medical Case Managers when clients are not adhering to their medication regimen (i.e., the client misses prescription refills, misses licensed medical provider visits, or is having other difficulties with treatment adherence).
- Providers are expected to ensure immediate follow-up with clients who miss their prescription refills, licensed medical provider visits, and/or who experience difficulties with treatment adherence.

## **B. Program Operation Requirements:**

- Providers are encouraged to provide county-wide delivery. However, Ryan White Program funds may not be used to pay for the delivery of medications or consumable medical supplies unless one of the following conditions is met by the client, is documented by the client's Licensed Medical Provider, and said documentation is maintained in the client's chart:

- 1) The client is permanently disabled (condition is documented once);
- 2) The client has been examined by a Licensed Medical Provider and found to be suffering from an illness that significantly limits the client's capacity to travel [condition is valid for the period indicated by the Licensed Medical Provider or for sixty (60) calendar days from the date of certification].

**IMPORTANT NOTE:** Medical Case Managers requesting home delivery must have documentation on file that meets one of the conditions listed above.

- Providers must specify provisions for home delivery of medications and related supplies and equipment for eligible Ryan White Program clients who require this service.
- Providers of this service are expected to be Covered Entities authorized to dispense PHS 340B-priced medications either directly, through an allowable subcontract arrangement, or via another federally acceptable affiliation.
  - Clients needing this service may only go to, or be referred to, the pharmacy in which their HIV/Primary Care Provider or prescribing practitioner is located or affiliated with (e.g., by subcontract, etc.). This is due to PHS 340B Pharmacy drug pricing limitations, and HRSA's requirements that the Ryan White Part A/MAI Program use PHS 340B drug pricing wherever possible.
  - If the provider is a PHS 340B covered entity and the client is enrolled in the Florida ADAP Program, that client is eligible for PHS 340B pricing for prescriptions not covered by the ADAP formulary regardless of whether or not the client is the agency's own client.
- Pharmacy providers are directed to use the most cost-effective product, either brand name or generic name, whichever is less expensive at the time of dispensing. An annual, signed assurance is required from the service provider regarding this directive.
- The LPAP-funded service provider must be linked to an existing Medical Case Management system through agreements with multiple Medical Case Management providers. Providers are contractually required to enter into formal referral agreements that detail responsibilities of both parties and penalties for not complying with the referral agreement.

A Ryan White Program In Network Referral for LPAP Services is not required. However, to access LPAP services, the client must be open at the LPAP-funded agency and must have their Client Service Category Profile in the Provide® Enterprise Miami data management system open to Outpatient/Ambulatory Health Services at the same agency. This is due to 340B covered entity drug pricing requirements.

Ryan White Program-funded LPAP services have a maximum of one year from the date on the prescription.

**C. Rules for Reimbursement:** Dependent on the type of pharmacy provider, please adhere to the following reimbursement structures.

- Where applicable, providers will be reimbursed for program-allowable prescription drugs based on the PHS 340B price of the prescription provided to the Ryan White client, plus a flat rate dispensing fee. Total costs should include the cost of home delivery, as allowable, and other direct costs associated with the provision of this service. Providers must stipulate the flat rate dispensing fee that will be added to the PHS price. (For example, if the PHS price of a prescription is \$185.00, and the provider's proposed flat rate dispensing fee is \$11.00, then the total reimbursement amount is equal to \$196.00.) An estimate of the number of clients (unduplicated caseload) expected to receive these services must be included on the corresponding budget narrative.
- Reimbursement for consumable medical supplies is limited and must be related to administering medications (e.g., for insulin injection in diabetics, etc.). Approved consumable medical supplies are found in Attachment B of the most current, local Ryan White Program Prescription Drug Formulary.
- No multiplier will be applied to Medicare or Medicaid rates for consumable medical supplies.

**D. Additional Rules for Reporting and Documentation:** Providers must document client eligibility for this service and report monthly activity (i.e., through reimbursement requests) in terms of the individual drugs dispensed (utilizing a locally-defined drug coding system to be provided by the County), the number of prescriptions filled for each drug, the number of pills or units dispensed, the amount of Ryan White Program funds spent dispensing each drug, and the unduplicated number of clients that received each drug limited to those medications listed in the

most recent release of the local Ryan White Part A Program Prescription Drug Formulary.

Provider monthly reports (i.e., reimbursement requests) for consumable medical supplies must include the number of clients served, medical supply distributions with HCPCS codes as appropriate per client, and dollar amounts per client.

**E. Ryan White Part A Program Prescription Drug Formulary:** Ryan White Program funds may only be used to purchase or provide vitamins, appetite stimulants, and/or other prescription medications to program clients as follows:

- Prescribed medications that are included in the most recent release of the Ryan White Part A Program Prescription Drug Formulary. This formulary is subject to periodic revision; and
- Medications, appetite stimulants, or vitamins that have been prescribed by the client's Licensed Medical Provider. **IMPORTANT NOTE:** Prescriptions for vitamins may be written for a 90-day (calendar days) supply.

**F. Letter of Medical Necessity: Continuous Glucose Monitoring (CGM) Devices** require a completed Ryan White Letter of Medical Necessity (LOMN) (See Section V of this FY 2024 Service Delivery Manual for copies of the Letters of Medical Necessity, as may be amended):

**ADDITIONAL IMPORTANT NOTES:**

- **Medical Case Managers must work with clients to explore in a diligent and timely manner all health insurance options and evaluate the client's best option to ensure that health insurance premiums, deductibles and prescription drug copayments are reasonable and covered by the appropriate payer source. For Medicare Part D recipients, any client whose gross household income falls below 150% of the 2024 Federal Poverty Level (FPL) must be enrolled in the Low-Income Subsidy (LIS) Program. In addition, for Medicare Part D recipients, any client whose gross household income falls between 135% and 150% of the FPL must be enrolled in ADAP for assistance with prescription drug expenses. For Medicare Part D recipients, any client whose gross household income falls above 150% of the FPL or does not qualify for the LIS and who falls into the "donut hole," must be referred to the ADAP Program.**
- **AS OMB RECEIVES ADDITIONAL INFORMATION FROM FEDERAL FUNDERS AND/OR STATE LEGISLATIVE BODIES REGARDING IMPLEMENTATION OF THE PATIENT PROTECTION AND AFFORDABLE CARE ACT (ACA), HEALTH EXCHANGES, OR ANY SUBSEQUENT HEALTH CARE LAW, THIS MANUAL MAY BE**

**REVISED.**

## MENTAL HEALTH SERVICES

*(Year 34 Service Priorities: #3 for Part A and #3 for MAI)*

**Mental Health Services** are a set of core medical services that consist of counseling and treatment for diagnosed behavioral health disorders. These services are designed to reduce harmful behaviors and episodes of instability and improve mental status and client health outcomes. These Mental Health Services include the provision of outpatient psychological and psychiatric screening, assessment, diagnosis, treatment, and counseling services offered to people with HIV. Services are based on an individualized treatment plan and are conducted in group and individual sessions. All services are provided by mental health professionals licensed or otherwise authorized within the State of Florida to render such services. All clients receiving this service must have at least one mental or behavioral health diagnosis specified in the Diagnostic and Statistical Manual of Mental Disorders (DSM-5) or International Classification of Disease, Tenth Revision, Clinical Modification (ICD-10-CM; Codes F01-F99, excluding “Mental and behavioral disorders due to psychoactive substance use” – codes F10-F19).

Mental Health Services require an individualized treatment plan, as noted above. Treatment plans incorporate the findings of assessment and diagnostic tools and specify the goals and objectives to be achieved during the treatment episode. The treatment plan also specifies the recommended clinical interventions and frequency with which these interventions shall be delivered. Mental health providers may use this service category to conduct the assessment and diagnostic steps for the development of a treatment plan. If ongoing mental health services are being provided to a client, it is expected that the client receives a mental health treatment plan at least every six months.

Psychiatric treatment with medication management and evaluation should be billed and recorded under Outpatient/Ambulatory Health Services. Additional mental health services may be billed under Outpatient/Ambulatory Health Services when provided by a licensed psychiatrist or other doctor, clinical psychologist, clinical social worker, clinical nurse specialist, nurse practitioner or physician assistant/associate.

Mental Health Services are allowable only for program-eligible clients. This service is not available to family members without HIV. Ryan White Program funds may **not** be used for bereavement support for uninfected family members or friends.

Mental Health Services reimbursed under Part A or MAI of the Ryan White Program are limited to conditions impacting the treatment of the client’s underlying HIV disease (e.g., assessing, diagnosing, and treating a mental health condition that hinders HIV treatment adherence) and treated within the context of the client’s HIV or AIDS diagnosis. This service is intended to address issues that impact a person’s ability to remain engaged in HIV care, strengthen coping skills and self-care, and promote engagement in ongoing medical care and treatment. It is important for the Level I or Level II mental health

professional to regularly gauge and document the client's progress and determine if the client is still in need of the service.

- **Mental Health Services (Level I):** This level includes *intensive* mental health therapy and counseling (individual, family, and group) provided solely by *state-licensed mental health professionals*. Direct service providers would possess **a Doctorate degree in psychology or counseling or related field (PhD, EdD, PsyD), and must be licensed by the State of Florida** as a Licensed Clinical Psychologist, LCSW, LMHC, or LMFT to provide such services.
- **Mental Health Services (Level II):** This level includes *intensive* mental health therapy and counseling (individual, family, and group) provided solely by *state-licensed mental health professionals*. Direct service providers would possess **a Master's degree in psychology, psychotherapy or counseling or related field (MS, MA, MSW, or M.Ed.), and must be licensed by the State of Florida** as a LCSW, LMHC or LMFT to provide such services. **Direct service providers may also be:** 1) Florida registered interns as defined by Florida Statute (F.S.) 491.0045 (Clinical Social Work Intern, Mental Health Counselor Intern, or Marriage and Family Therapy Intern), or 2) a Psychology Intern, Postdoctoral Resident, or Fellow satisfying Rule 64B19-11.005 of the Florida Administrative Code (F.A.C.). Such interns must provide services under the supervision of a LCSW, LMHC, LMFT or Licensed Psychologist who is licensed in the State of Florida.

### **Mental Health Service Components:**

**Level I counseling services provided to Ryan White Program clients** include psychosocial assessment and evaluation, testing, diagnosis, treatment planning with written goals, crisis counseling, periodic re-assessments, re-evaluations of plans and goals, documenting progress, and referrals to psychiatric and/or other services as appropriate. Issues of relevance to program-eligible people with HIV (clients) such as risk behavior, substance abuse, adherence to medical treatments, depression, panic, anxiety, maladaptive coping, safer sex, and suicidal ideation will be addressed. Mental health professionals are encouraged to practice and introduce motivational interviewing and harm reduction strategies to their clients, if deemed clinically appropriate. Services at this level are provided for clients experiencing acute, sporadic mental health problems and are generally not long term [individual counseling shall not exceed 32 encounters per Fiscal Year and five (5) units (maximum of 2 ½ hours) per session; 1 encounter = 1 day of service].

**Level II counseling services provided to Ryan White Program clients** include crisis counseling, re-evaluations of plans and goals, documenting progress, and referrals to psychiatric and/or other services as appropriate. Issues of relevance to program-eligible people with HIV (clients) such as risk behavior, substance abuse, adherence to medical treatments, depression, panic, anxiety, maladaptive coping, safer sex, and suicidal ideation will be addressed. Mental health professionals are encouraged to practice and introduce motivational interviewing and harm reduction strategies to their clients, if deemed

clinically appropriate. Services at this level are provided for clients experiencing acute, sporadic mental health problems and are generally not long term [individual counseling shall not exceed 32 encounters per Fiscal Year and five (5) units (maximum of 2 ½ hours) per session; 1 encounter = 1 day of service].

**Group Counseling (Levels I and II)** refers to a group of individuals [minimum of three (3) Ryan White Program clients, maximum of fifteen (15) total clients] with similar problems meeting under the expert guidance of a trained mental health professional. Members of the group will be selected by the mental health professional in order to maximize the interaction, learning, and benefits derived from a group dynamic. Group counseling provides therapy in a social context, reduces the feeling of isolation many clients experience, provides an opportunity for clients to share methods of problem-solving, and allows the therapist an opportunity to observe how an individual interacts with others.

- A. Program Operation Requirements:** Staff must demonstrate knowledge of HIV disease, its psychosocial dynamics, and implications, including cognitive impairment, and generally accepted treatment modalities and practices. Services may be delivered to non-HIV+ family members (as defined by the client) only if the program-eligible client is also being served. Providers will comply with super-confidentiality laws as per State of Florida's guidelines. The ratio of group counseling participants to counselors may not be lower than 3:1 and may not be higher than 15:1, as described above. One visit is equal to one half-hour counseling session.

Clients who are newly diagnosed with HIV or have returned to care should be offered the opportunity to speak with a mental health provider as a routine component of the services available through the local Ryan White Part A Program. An initial mental health visit could be used to identify, assess, or verify mental health conditions that may affect a client's treatment adherence. Subsequent or on-going Mental Health Services under the Ryan White Part A Program require a mental health diagnosis documented in the client's chart. To facilitate this process for newly diagnosed or returned to care clients who are receiving TTRA mental health services are limited to one encounter (all mental health services provided on one day) within 30 days of starting the TTRA protocol, while program eligibility is being determined. For clients following the Newly Identified Client (NIC) protocol, Mental Health Services may be provided with these same limitations.

**Tele-mental health services** are also available. Please see Section XVI, Additional Policies and Procedures, of this Service Delivery Manual for more details.

- B. Additional Service Delivery Standards:** Level I and Level II providers must adhere to generally accepted clinical guidelines for psychological treatment of persons with HIV/AIDS-related illnesses. (Please refer to Section III of this FY 2024 Service Delivery Manual for details, as may be amended.)

**C. Rules for Reimbursement:** Reimbursement for individual and group Mental Health Services will be based on a half-hour counseling session “unit” not to exceed \$32.50 per unit for Level I individual counseling; \$35.00 per unit for Level I group counseling; \$32.50 per unit for Level II individual counseling; and \$35.00 per unit for Level II group counseling. Reimbursement for individual counseling units are calculated for each client receiving the therapy (i.e., number of individual counseling units per client), whereas, reimbursement for group counseling units are calculated for the counselor that provided the group counseling (i.e., number of group counseling units per counselor).

Tele-mental health services are reimbursed as follows:

Billing Code	Description	Flat rate Reimbursement
THMHT1	Tele-Mental Health provided by a Level I provider (individual client only)	\$32.50 per 30-minute session
THMHT2	Tele-Mental Health provided by a Level II provider (individual client only)	\$32.50 per 30-minute session

**D. Additional Rules for Reporting:** The unit of service for reporting monthly activity of individual and group Mental Health Services is a one-half-hour counseling session and the unduplicated number of clients served. Providers will report individual and group activity separately for Level I and Level II Mental Health Services.

**E. Additional Rules for Documentation:** Providers must also maintain certifications and licensure documents of the mental health professionals providing services to Ryan White Program clients and must make these documents available to OMB staff or authorized persons upon request. Client charts **must** include a specific mental or behavioral health diagnosis and detailed treatment plan for each eligible client that includes all required components and the mental health professional’s signature and/or the signature of the person supervising the professional.

**F. Additional Treatment Guidelines and Standards:** Providers of Mental Health Services (Levels I and II) will adhere to generally accepted clinical guidelines for mental health therapy/counseling of people with HIV. The following are examples of such guidelines:

- American Psychiatric Association (APA). HIV Psychiatry - Training and Education, as well as HIV Psychiatry Resources and Publications [e.g., Fact Sheets (Last Updated: 2012): HIV and Clinical Depression; HIV and Anxiety; HIV and Cognitive Disorders; HIV and Delirium; HIV and Substance Use; HIV and People with Severe Mental Illness (SMI); Sleep Disorders and HIV; and Pain in HIV/AIDS; Publications (including links to other related books and journals, such as the Diagnostic and Statistical Manual of Mental

Disorders, Fifth Edition - DSM-5); and additional web-based materials.
