

HIV/STD Outreach Specialist

Care 4 U Community Health Center has immediate job openings for full-time Outreach Specialists. These positions will engage individuals living with HIV/AIDS and at risk for potential exposure to HIV/STD, emphasis on high risk populations including people of color, men who have sex with men (MSM), and persons of transgender and gender nonconforming experience, for the purpose of connecting them to HIV testing, medical treatment and prevention services including PrEP. Outreach Specialists will provide HIV/STD testing, HIV/STD health education, risk reduction interventions, condom distribution, referrals and linkage to care and support services in neighborhoods or venues in Liberty City and surrounding areas. Occasional nights/weekends hours are required.

The ideal candidate will be outgoing, compassionate, enjoy working outdoors and in various environments, and well spoken. Must be comfortable working with diverse populations and conducting outreach and HIV testing in sexually charged environments or areas where active drug use may occur. Excellent interpersonal and communication skills are required. Must have a high school diploma and a valid driver's license. Bilingual (English/Spanish or English/Creole) **highly** desired. HIV 501 certification from the Florida Department of Health is required within 6 month of the date of hire.
