Dear [Name]:

The Miami-Dade HIV/AIDS Partnership's Housing Committee invites you to our Housing Stakeholders Meeting on August 15, 2024. The committee works to improve housing for people with HIV. We work closely with the Housing Opportunities for Persons with AIDS (HOPWA) program, but we know there are more resources available for housing and housing-related needs not covered by HOPWA.

Your organization plays a vital role in our community, and we believe that your expertise and resources could significantly contribute to our collective efforts in responding to the needs of homeless and unstably housed people with HIV.

We are inviting you to gather and share information about local housing-related resources, initiatives, and program eligibility, to maximize available housing resources; and to promote collaborations among housing stakeholders and community organizations to expand and enhance available services for people with HIV.

We hope you will join us for this important meeting on August 15, 2024, 2:00 p.m. to 4:00 p.m., at Care Resource Community Health Centers, 3510 Biscayne Boulevard, Community Room, Miami, FL 33137.

To RSVP or if you would like further information, please contact Marlen Meizoso, Housing Committee coordinator, at (305) 445-1076 or [marlen@behavioralscience.com](mailto:marlen@behavioralscience.com).

Thank you for your consideration of this invitation. We look forward to seeing you on August 15.

Sincerely,

Stephen Herz  
Chair, Housing Committee

c: Alecia Tramel-McIntyre, Chair, Miami-Dade HIV/AIDS Partnership  
Members of the Miami-Dade HIV/AIDS Partnership and Housing Committee  
Robert Ladner, President, Behavioral Science Research

In preparation for the August meeting, below are the three questions that will be asked of you at the meeting. You may forward the information in advance to [marlen@behavioralscience.com](mailto:marlen@behavioralscience.com).

1. What affordable housing opportunities do you currently offer?
2. Do you currently have any housing assistance for low-income individuals and if so when would it open?
3. Can you offer/reserve any resources for the HIV population?

Thank you.
