

ADVANCED CLINICAL PRECEPTORSHIP PROGRAM

JOIN OUR SPECIALIZED PRECEPTORSHIP PROGRAM TO GAIN HANDS-ON EXPERIENCE AND EXPERT GUIDANCE IN HIV CARE, HCV MANAGEMENT, SUBSTANCE USE TREATMENT, AND GENDER-AFFIRMING CARE.

HIV Care and Treatment

Learn HIV diagnosis, treatment, and prevention from experienced providers across all sites.

HCV Management

Train with Dr. Dushyantha Jayaweera at Jackson Memorial Medical Center on managing Hepatitis C in primary care.

Substance Use Treatment

Gain practical skills in opioid use disorder and other SUDs with Dr. Teresa Chueng at IDEA Exchange.

Gender-Affirming Care

Learn to integrate HIV and gender-affirming treatment with Dr. Laura Beauchamps at Jackson Memorial Medical Center and Rapid Wellness Access Clinic.

Why Participate?

- Expand your clinical skills in high-demand areas.
- Work with leading experts in a supportive, hands-on setting.
- Improve patient care for underserved populations in South Florida.

Reach out today to learn more and sign up for this impactful preceptorship!
