Dear [Name]:

The Miami-Dade HIV/AIDS Partnership's Housing Committee invites you to our Housing Stakeholders Meeting on August 21, 2025. This committee works to improve housing for people with HIV and works closely with the Housing Opportunities for Persons with AIDS (HOPWA) program.

Your organization is an essential part of our community, and we believe your expertise could make a meaningful impact in addressing the needs of people with HIV who are homeless or unstably housed. We invite you to help gather and share information about local housing programs to optimize housing resources, foster collaboration among housing stakeholders, and strengthen partnerships with community organizations to improve services for people living with HIV. Collaboration is essential during these challenging financial times.

All participants will be asked the following two questions:

- 1) Do you currently have any housing assistance for low-income individuals and when would it open?
- 2) Can you share any housing resources that we can post online?

If you have extensive items to share, please forward these to us in advance of the meeting.

We hope you will join us for this important meeting on August 21, 2025, 2:00 p.m. to 4:00 p.m., at Care Resource Community Health Centers, 3510 Biscayne Boulevard, Community Room, Miami, FL 33137.

To RSVP or if you would like further information, please contact Marlen Meizoso, Housing Committee coordinator, at (305) 445-1076 or [marlen@behavioralscience.com](mailto:marlen@behavioralscience.com).

Thank you for your consideration of this invitation. We look forward to seeing you on August 21.

Sincerely,

Lileaus Hill  
Chair, Housing Committee
